Honorable John W. Macy, Jr., Chairman  
United States Civil Service Commission  
Washington 25, D. C.

Dear Mr. Macy:

Thank you for your letter of 15 March sending me the current issue of the Civil Service Journal and calling my attention to the stimulating message from the President concerning the Career Civil Service.

We have subscribed to the Journal and receive copies for distribution to interested officers in the Agency. Your invitation for suggestions and criticisms is appreciated but I have heard only favorable remarks about the Journal's scope and presentation.

I appreciate your thoughtfulness in writing to me about this particular issue and shall look forward to receiving future issues from you for my personal use.

Congratulations on your appointment as Chairman of the Commission.

Sincerely,

SIGNED
